RE: KIWANIS CLUB OF PORT VILA – 300,000VUV DONATION TOWARDS VLSSS 2018

Dear Kiwanis Club of Port Vila,

We would like to express a massive thank you for the donation of 300,000VUV committed by yourselves towards the January 2018 summer school. This donation matches the largest single contribution the organisation has ever received. Without the support of your organisation over the past few years the successes of VLSSS would not have been possible, including the huge amount our graduates that have advanced over that time.

Preparations for VLSSS 2018 are well under way, what will be the largest summer school to date, with around 100 students and 25 teachers. We are looking forward to welcoming this next cohort of students and team of teachers, and also look forward to sharing with you the story of the summer school early next year. You will receive our annual report with details of VLSSS 2018 as well as our ongoing developments around March 2018. We hope you enjoyed the 2016/17 report.

As always, on behalf of the students and teachers of VLSSS, we are extremely thankful for your support, and proud that the Kiwanis Club of Port Vila are a key member of the VLSSS family.
